DEPARTMENT

On Friday, December 7, 1984, at 5:00 p.m., I received a call on the pager about a diesel fuel spill at 500 N. Grant. The spill occurred when William W. Scott (Diversified Trucking Co., Opelika, Alabama, License No. X8-7684 AL) turned onto the road that runs under the viaduct and ruptured one of his saddle tanks when it hit the guard rail. Mr. Scott said that it contained 140 gallons of No. 2 diesel because he had just filled the tank. The diesel fuel formed a big pool between the tracks and there was no runoff. Police officer A.R. Crist, who reported the accident to the fire department also called the street department to spread sawdust on the spill.
